Enclosures.

7th February, 1930.

Dear Sirs,

S. I have to acknowledge and confirm the following cablegrams (as per copies of translations enclosed) which have passed between us to-day respecting the case of the steamer "JACQUES SCHIAFFINO".

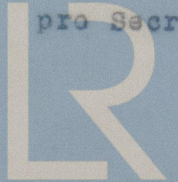

In view of the definite statement made by the Societe de Nav. & Vap. Daher in their letter of the 13th ultimo addressed to your Office, and forwarded here by you with your letter of the 15th ultimo, and upon which intimation the Committee gave instructions for the vessel's class to be withdrawn from the Register Book, the statement contained in your cablegram is not quite understood, but as the vessel is now no longer classed with this Society, the Committee cannot authorise you to take the action desired, and you will therefore be good enough to be guided accordingly.

I am, Dear Sirs,

Yours faithfully,

The Surveyors,
MARSEILLES.

pro Secretary.
