Dear Sir:

Private & Confidential.
S/S "JACQUES SCHIAFFINO"

Learn to-day unofficially when I expected as previously arranged to survey her Port Boiler that she has been sold subject to acceptance at Marseilles to Messrs Daher & Co. of Marseilles on completion of present voyage from Bona.

She arrived here on Saturday morning and sailed the same day to Bona, special orders having been given to close and get steam immediately on the Port Boiler.

I can understand nothing, and I know only that the visits of Mr Stuart from Marseilles and the action of our Surveyor at Dunkirk have certainly upset the Owner, who has stated that he will sell all steamers classed in our Society. This to me in Algiers is anything but interesting.

I am, Dear Sir,

Yours faithfully,

Dewar Paton.

Dear Sir:

Private & Confidential
SAS "JACQUES SCHATTING"

I learn to-day unofficially when I expected as previously arranged to survey her Port Folio that she has been sold subject to acceptance at Marseilles to Messrs Tabet & Co. of Marseilles on completion of present voyage from Bona.

She arrived here on Saturday morning and called the same day to Bona, special orders having been given to close and get steam immediately on the Port Folio.

I can understand nothing and I know only that the visit of Mr. Sturt from Marseilles and the action of our Surveyor at Bona have certainly been the cause of our Society's interest in this matter. It is to me in Algeria is anything but interesting.

I am, Dear Sir,

31 JAN 1930

Also for Mr. S. A. Hill to note.

Also for Mr. Carey to note.
