The Second Special Survey No.2 became due on this steamer in October last and has been partly carried out.

The vessel has recently been sold, and the new Owners, writing on the 13th instant, state that for private reasons they have decided to transfer her to the classification of the Bureau Veritas.

The Classing Committee had the case before them on Friday, 24th instant, and in the circumstances decided to give instructions for the vessel's character to be withdrawn from the Society's Register Book and three dots (...) inserted in lieu thereof, indicating withdrawal of class at Owners' request.
