s. s. "RIVA LIGURE".

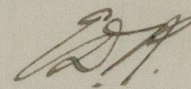

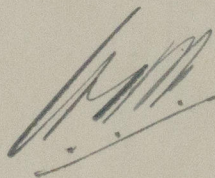

The boiler survey became due in September last and has been partly held. The 2nd Special Survey No.3 will become due at the end of this month.

In reply to enquiry the Genoa Surveyors have forwarded a copy of a letter from the Owners in which they state that the vessel is now required to be classed with the Registro Italiano and in consequence they desire the class with Lloyd's Register to be discontinued.

IT IS SUBMITTED that the vessel's class be withdrawn from the Register Book and three dots (...) inserted in lieu thereof, indicating withdrawal of class at Owners' request.

Withdraw class.
