S. S. "EL AMIR FAROUK".

The screwshaft survey became due at the end of August last and has not been held.

In reply to ~~former~~ enquiry, the Society's Surveyor at Alexandria now states that the Egyptian Government (Coastguards and Fisheries) carry out their own surveys and do not retain the vessel's class in the Register Book after being built under special survey.

IT IS SUBMITTED that the vessel's class be omitted from the next reprint of the Register ~~Book~~.

Omit class at next reprint.
