Enclosures.

6th June, 1930.

Dear Sirs,

H. Reverting to my letter of the 24th April last respecting the Wood Motorship "DUVALLA" I think it well to enclose for your information a copy of a letter which has been received at this Office from the Owners' Representatives in this Country, together with a copy of my reply to this communication from which you will observe that the class of this vessel has been omitted from the reprint of the Register Book for issue in July next, and that to entitle her to have the class re-instated in the Register Book it will be necessary for the Half Time Survey of the hull and machinery to be carried out at a port where the Society has a Surveyor stationed and for a favourable report to be received.

I am, Dear Sirs,

Yours faithfully,

pro Secretary.
