Dear Sirs,

We have today received a cable from our headquarters in Akron, Ohio, U.S.A. that the Firestone Plantations Company have cabled instructions to their manager in Liberia regarding the regular June survey of the m.v. "Duvalla". We do not know whether it is necessary for you to inform your nearest surveyor and should be glad to have your acknowledgement of this information.

Yours faithfully,  
FIRESTONE TYRE & RUBBER CO. LTD.
