Dear Sirs,

H. With reference to my letter of the 8th May last relative to the motorship "DUVALLA", I shall be glad to learn whether any opportunity has yet been afforded for this vessel's screw shafts to be examined, and in the event of the survey having been held I shall be obliged if you will forward the Surveyor's report to this Office for the information of the Committee. Should the survey not have taken place perhaps you will be so good as to let me know what further arrangements have been made in the matter.

I am, Dear Sirs,

Yours faithfully,

Clerk to the  
Classification Committee.
