Due

**Screw Shaft Survey due 6,28.**

The New York Surveyors write as follows:-

"The Owners inform me that this vessel is at present anchored in the Harbor at Monrovia, Liberia, West Africa, and they plan on her remaining there indefinitely. They are desirous of complying with the Rules in the matter of the Screw Shaft Survey and in the circumstances I am requesting them to instruct their representative at Monrovia to make the necessary arrangements. We have also taken the liberty of communicating with Lloyd's Agent at that port with a view to the appointment of a competent Engineer Surveyor to carry out the Survey and forward a Report for the information of the Committee".
