ANSWER.

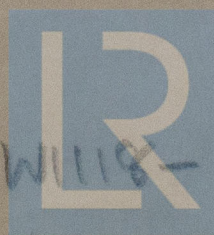

Date:— September 7th, 1928.

The Owners inform me that this
vessel is at present anchored in the
Harbor at Monrovia, Liberia, West
Africa, and they plan on her remaining
there indefinitely.

They are desirous of complying
with the Rules in the matter of the
Screwshaft Survey and in the circum-
stances I am requesting them to
instruct their representative at
Monrovia to make the necessary arrange-
ments.

We have also taken the liberty
of communicating with Lloyd's Agent
at that port with a view to the
appointment of a competent Engineer
Surveyor to carry out the Survey and
forward a Report for the information
of the Committee.
