The Special Survey No. 2 was due in March last and has not been held.

In addition some indented plating on the starboard side requires to be dealt with at the Owners' convenience.

In reply to enquiry the Genoa Surveyors have forwarded a translation of a telegram from the Owners intimating they do not desire to retain the vessel's class with this Society.

The case received the consideration of the Classing Committee on Friday, 25th ultimo, when instructions were given for the class to be withdrawn and three dots (...) inserted in lieu thereof, indicating withdrawal of class at Owners' request.
