THE SURVEYORS.

Dear Sir,

I have to inform you that Messrs. Scheepswerf "Gideon" (J.H.Koster Hzn, Groningen) are going to build a sister vessel of the motorship yard number 154 ("ROBRIX") built by them under special survey, to the Society's class under yard number 164, and in order to save delay I have arranged with the Builders and the Amsterdam Surveyors, who are in possession of the approved plans of the m.s. 154, to note on these plans : sister vessel 164 and I shall be pleased if you will do the same in the London Office.

For reference please see the first letter dated, London 13.11.36, by which plans of yard number 154 were approved.

A copy of this letter has also been sent to the Amsterdam Surveyors.

I am, Dear Sir,
Yours faithfully,

The Secretary,
