1 plan enclosed.

7th October, 1929.

Dear Sir,

I beg to submit herewith for the consideration of the Committee a plan of Injection Air Bottle proposed by Messrs. Fiat British Auxiliaries, Limited for their Engine No. E.138.

The plan, in my opinion, merits the favourable consideration of the Committee.

The Builders desire an early reply in this case.

I am, Dear Sir,

Yours faithfully,

*Robert Rae*

The Secretary,

GLASGOW.
