-----:-
 The Boiler Survey became due in June, 1929, but has not been held.

In a letter received from the Kobe Surveyors it is stated that the vessel has been purchased by Messrs. Aoki Shoten of Sasebo, and has been renamed "SEIZAN MARU", and that the new Owners do not desire to continue the vessel's classification with this Society.

The case received the consideration of the Classing Committee on the 25th ultimo, and in the circumstances instructions were given for the class to be withdrawn from the Register Book and three dots(...) to be inserted in lieu thereof, indicating withdrawal of class at Owners' request.
