Sirs,

s.s. "CHISWICK MANOR"

With reference to previous correspondence re the
vey on the above steamer. We are now anxious to get
moving to take advantage of the slight improvement there is
erally for tonnage of her size.

We would respectfully draw your attention to the fact
t in January/February 1931 steamer underwent extensive
airs, under the supervision of your Surveyors. Under
inary circumstances a good deal of the work then done
ld have counted as part of the Survey, but as the Survey
e had not arrived, we took no measures in that direction.
ce these repairs were completed steamer has not moved from
East Dock Cardiff. During the period steamer has been,

d up we have had men employed in the upkeep of steamer
her engines. Steamer's holds have all been checked and
nted, and at the present moment the Packer holds are being

similarly treated. We would request that steamer be inspected by your Surveyor, and for him to report to your Committee. We would then respectfully beg your Committee will then give favourable consideration to a request for a further expansion say of 12 months, or failing this period being acceptable say six months to complete the Survey. If this request is granted it will enable us to put steamer into Commission promptly, and thus put the Company in a position to complete the minor work necessary to have Survey completed.

Waiting the favour of your esteemed reply to this request.

We are,

Yours faithfully,
