

2nd August, 1921.

Dear Mr. Warlow,

In Mr. Hayne's absence on holiday I opened your letter of the 30th ultimo addressed to him relative to the ex-German Steamer "IZMIR", and, in thanking you for returning the previous condition survey reports in this case, I have to say that your remarks regarding your interviews with Mr. Whimster are carefully noted.

With kindest regards,

Yours faithfully,

F. L. Warlow, Esq.,

GLASGOW.
