ENCLOSURES.

5th October, 1921.

Dear Mr. Hill,

I am much obliged for your letter of the 4th instant in regard to the issue of six monthly certificates for unclassified ex-German vessels, and note what you say.

The particular case we have in mind is that of the Steamer "IZMIR", and I enclose herewith the papers relating to the same. The vessel is at present on a Mediterranean voyage, and we understand that when she returns to the Clyde the Owners intend to apply for a six monthly certificate.

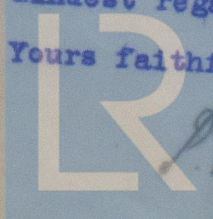

They have intimated, through their Superintendent, that it is their intention to class the vessel at a later date, but when this will be is very indefinite.

Will you be so good as to send back the enclosed papers as soon as convenient?

With kindest regards,

Yours faithfully,

J.F. Hill, Esq.,
LONDON.
