Plans

Dear Sir,

Further to my letter of the 1st and 6th inst. and yours of the 30th last respecting the proposal to class the steamer " RUTH ", I beg to enclose herewith for the consideration of the Committee the following plans.

- Midship Section
- Arrangement
- Pipe Arrangement.

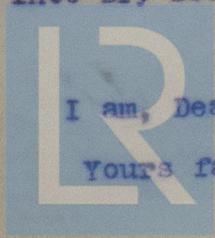

In connection with the latter it should be mentioned that the arrangement has now been altered back to as shown on the plan instead of as given on my letter of the 1st inst.

The midship section and profile of the similar vessel - " EDITH " - is returned herewith for reference and I should be glad if same could be returned to me by Wednesday next when the " RUTH " is going into Dry Dock here for completion of the survey.

I am, Dear Sir,

Yours faithfully,

The Secretary,
London.
