30th May 1927

Dear Sir,

I am in receipt of a telegram from the Society's Surveyors at Greenock urgently requesting the hull certificate of the tug "SWAN",, and in compliance therewith I enclose the hull and machinery certificates of the above mentioned vessel.

At the same time I have to state that in view of my letter addressed to you on the 28th instant requesting to be supplied with a sketch of the oil gland or other appliances fitted at the after end of the stern bush, the certificates should not be handed over until a wire has been received from this Office stating that the above mentioned oil gland or other appliances are in order.

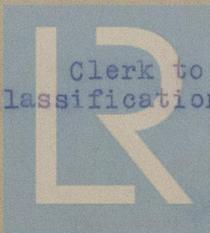

I therefore await your telegraphic reply to my telephonic message as regards the necessary information.

I am, Dear Sir,

Yours faithfully,

The Secretary.

GLASGOW.
