28th May, 1927.

Dear Sir,

With reference to Glasgow First Entry Report No. 46649 on the Machinery of the Screw Tug "SWAN", I shall be glad if you will kindly forward a sketch of the oil gland or other appliance fitted at the after end of the stern bush, in view of the fact that it would appear from the Surveyor's report that this is not an approved arrangement.

At the same time I shall be glad if you will kindly endeavour to obtain early payment of the fees for the survey of the machinery, in order that the vessel may appear as fully classed in the new edition of the Register Book.

I am, Dear Sir,

Yours faithfully,

Assistant Secretary.

The Secretary,

GLASGOW.
