21st February, 1930.

Dear Sir,

S.

With reference to the classification in the Society's Register Book of your Tug "SWAN", I beg to acquaint you that the Committee have to-day had before them a report received from the Society's Acting Surveyor at Penang, from which it appears that it is not your intention to maintain the classification of this vessel with this Society, and I have to say that, in these circumstances, instructions have been given for her character to be omitted from the next re-print of the Society's Register Book, which is shortly taking place.

I am, Dear Sir,

Yours faithfully,

pro Secretary.
