4th April, 1940.

My dear Ernest,

I have your letter of the  
3rd instant regarding Burntisland S.B. Co's. No. 235,  
and you are quite correct in your assumption.

The vessel is building under licence  
for private account. In all the correspondence we have  
had up to the present the Builders have described the vessel  
as 4,350 deadweight vessel, Emergency S.B. Programme,  
but they now admit this is incorrect.

With kindest regards,

Yours sincerely,
