tons, rods, crossheads, crankshaft, and bear-  
ings, armature, commutator, brushes and holders

(Signed) J. W. Belton  
Engineer Surveyor to Lloyd's Register.

This Certificate is issued upon the terms of the Rules and Regulations of the Society, which provide that:—

"While the Committees of the Society use their best endeavours to ensure that the functions of the Society are properly  
executed, it is to be understood that neither the Society nor any Member of any of its Committees is under any circumstances  
whatever to be held responsible for any inaccuracy in any report or certificate issued by the Society or its Surveyors, or in any  
entry in the Register Book or other publication of the Society, or for any error of judgment, default or negligence of any of  
its Committees or any Member thereof, or the Surveyors, or other Officers or Agents of the Society."

(Cont'd.)

Compressor cylinder, piston pins and bearings.

Port and Starboard Starting Air Tanks:-

Examined internally together with their valves and mountings.

(Signed) J. W. Belton  
Surveyor to Lloyd's Register of Shipping.
