Builders Swan, Hunter & Wigham

Owners British Tanker Co.

"BRITISH COLONY".

Vessel built by Swan Hunter & Wigham Richardson.

Class Contemplated.

The British Tanker Co., have 'phoned up asking how the
Classification of the above vessel stands, as the vessel
sailed on the 12th instant, and they stated that they would
like the Classification Certificates for tomorrow's mail.

I informed them that the First Entry Reports had not yet
come to hand from the Newcastle Surveyors, but that we
would wire Newcastle for reports and also for the builders
sanction to hand the certificates direct to them, provided
all fees were paid.

They stated that they would make the necessary arrangements
to have the fees paid.
