Dear Mr. Hill,

I have your letter of 14th. inst. regarding the Ownership given on Newcastle Report No. 83200 on the steamer "CASPIA". This was supplied to us by the Shipbuilders who, in reply to our enquiry today, state that the title under which the vessel is ~~to be~~ registered was changed at the last moment.

We, of course, always endeavour to obtain the correct record of Ownership, but the circumstances under which the mischance occurred on this occasion seem to have been exceptional.

With kindest regards,

Yours faithfully,

L.R. Hill
