Dear Sir,

m.v. " CLIFTONHALL ".

We beg to acknowledge receipt of your letter of 5th. May, with regard to the Screw Shaft.

This vessel was drydocked in Liverpool in February last, where, on checking the wear-down, and making an external examination of the Shaft, your Surveyor decided that the Shaft should not then be drawn.

We note what you say regarding the Continuous Survey, and will take the earliest opportunity of having the parts mentioned submitted to inspection.

Yours faithfully,
 FOR THE WEST HARTLEPOOL STEAM NAVIGATION CO. LTD.

W. H. Robertson
 Director.
