

Messrs. Wm. Doxford & Sons' Yard No. 642.

-----

It is submitted the Sunderland Surveyors be informed that the scantlings and arrangements as shewn on the plan of section through midship deckhouse will be approved, provided they be carried out to their satisfaction.

With the arrangements proposed at the ship's sides, as shewn in detail on the above plan, the two webs previously required to be fitted to the deckhouse sides may be omitted.

The proposal to fit well hollowed-out brackets to the house front stiffeners will also be approved, provided <sup>the</sup> brackets be of suitable thickness.
