Fishing Vessel "PONTUL EUXIN"

The 2nd S.S.No.1 became due on this vessel (after an early No.3) in June 1929.

In view of no replies having been received to repeated requests to the Owners regarding their intentions respecting this survey, the class was expunged with a Red Line in August 1930.

A letter has been received from the Braila Surveyor stating that this vessel has been sold to Mrs. Elza Anatra, of Braila, who desires to have the vessel reclassified and wishes to know what survey would be required for this purpose.

It is submitted the Braila Surveyor be informed that to render this vessel eligible for reclassification in the Society's Register Book the full requirements of Special Survey No.3 must be complied with, and he might be authorised to carry out this survey.
