Dear Sir:-

"PONTUL EUXIN".

I beg to confirm my cable of to-day reading as follows:-

HAVE	Have
WRITTEN	written
OWNERS	Owners
OFDUJ	14th June
OFFOJ	30th June
OFIDO	10th July
KURXU	No reply has been received

On the 10th June when I was in Constantza, I called at the Banca Chrissoveloni regarding the classification survey of the "PONTUL EUXIN". I informed them that the fees will amount to about

£ 22 and was advised to write to the Head Office in Bucharest which I did on the 14th June. Not receiving any reply, I wrote again to

Constantza on the 30th June and also to Bucharest on the 14th July.-

The Branch Office at Constantza informed me by telephone that they have also written to Bucharest and no reply has been received. I therefore take it that they do not want to have the vessel^{re} classed.

I am, Dear Sir,

Yours faithfully,

Jack Corbu

The Secretary,

L o n d o n . E.C.3.
