M.V. GLENMOOR

Old Rpt No 29703.

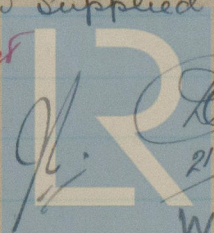

It is submitted that
this vessel is eligible for
THE RECORD.

⊗ L.M.C 4-28. CL.

Oil Engines 3 Cy. 21 $\frac{1}{4}$ " - 85" 2.5C. 5A - 2DB 120lbs.

It is concluded that 2 water cooling pumps are fitted,
that if the bilge suction pipes from Nos 1+2 holds pass through the
deep tanks, (as shown on the approved plan) they have been listed
as per Rule, and that the spare gear required by the Rules
for the auxiliary pumps has been supplied.
