Dear Mr. Mayne:-

s.s. "FORT MCHENRY", Bal.3235.

With reference to your letter of the 27th ult., regarding the reports from the American Committee of the 31st October, I am now enclosing a communication received from the Baltimore Surveyors regarding the number of bulkheads and boilers, from which it would appear that their statement in the report regarding the latter was incorrect.

Yours faithfully,

St. Lawrence
