Sir,

I very much regret to inform you that my Company had
ternative butto go into voluntary liquidation as we have become
ed of cash, and the Bank have refused to help us further. I am
al, however, that some scheme of reconstruction will be effected
satisfaction of all. You are well aware of the strong fight I
ade for the last three years until this position has been forced
e, and to protect all I had no alternative but to do as above.

I have to place on record my sincere gratitude and
for the kind indulgence which you have extended to my firm
ure you I will do all possible for your interests.

Yours very truly,

Isaac Abdela
