4 ENCLOSURES

10th February, 1936.

Dear Sirs,

S. With reference to the last paragraph of your letter of the 31st ultimo respecting the First Entry Certificates of the motor vessels "FERNANDO POO" and "DOMINE", I have to inform you that the reason that these certificates have not yet been issued, is owing to the fees for survey having not yet been paid.

No advise has been received from you in payment of the fees of the "FERNANDO POO", although you applied for the fees on the hull and one fifth of the machinery fee on the 1st October last.

In the case of the "DOMINE" as you are aware the hull fee and one fifth of the machinery fee have been paid, but there still remains four fifths of the machinery fee, viz., £195.18 due to Barcelona account, which has not yet been paid in both cases.

Four fifths of the machinery fee of these vessels was applied for in sterling from this Office in July last, in accordance with an arrangements which was made with the Barcelona Surveyor, but up to the present, it has not yet been possible for this account to be settled in sterling.

FERNANDO POO" & "DOMINE"

In these circumstances, I have to inform you that if you will arrange to collect the outstanding fees in Spanish currency, the First Entry Certificates may be at once handed over, and these are sent herewith for the purpose.

In the ordinary course, the machinery certificates should be sent to the Barcelona Surveyor if the Engine Makers at Barcelona pay the amount due, viz., £195.18 in each case, as mentioned above.

I shall therefore be glad if you will get into touch with the Barcelona Surveyor in regard to the matter and if the Engineers, on payment of the fees, are willing that the Certificates should be handed over to the Shipbuilders together with the hull Certificate, you will be in order in doing so.

I shall be glad to hear from you in due course as to what arrangements have been made in the matter.

I am, Dear Sirs,

Yours faithfully,

Clerk to the  
Classification Committee.

The Surveyors,

BA  
BILBAO.
