Dear Mr. Rennie,

I am much obliged for your letter of the 21st regarding the two accounts of £195-18-0 owing by La Maquinista Terrestre y Maritima, and note what you say.

It is thought that the vessels for which the oil engines concerned are intended, are probably now nearing completion and that the question of the payment of the full fees including the accounts above referred to will shortly arise. In the meantime no action in the matter appears to be necessary or desirable.

Thanking you for your letter and with kind regards,

Yours sincerely,

R. Rennie, Esq.,

BARCELONA.
