Lloyd's Register of Shipping,

71, Fenchurch Street, E.C. 3.

2nd May, 1935.

Dear Sir,

S.

ernando Poo

I have to acquaint you that the question raised in your letter of the 29th March last, respecting the fees proposed to be charged for the Special Survey during construction of the machinery of Messrs. Cia. Euskalduna's Yard No. 97, has been very carefully considered, and in reply I have now to inform you that the amounts set forth in your letter should be adopted.

As was done in the case of the Motor Tanker "CAMPILO", arrangements will be made for the accounts to be rendered direct from London to the Engine Builders, and I would add that there is no necessity for any entries to be made in your books.

I am, Dear Sir,

Yours faithfully,

pro Secretary.

R. Rennie, Esq.,
BARCELONA.
