RPH

2nd May, 1924.

Dear Sirs,

S.

With reference to your report No.4231 of survey held on the steamer "AGWIHAVRE", I have to draw your attention to the fact that the number of the certificate of test of the donkey boiler is given as 512 and that the same number is furnished in your report No.4740 of the survey of the donkey boiler fitted in the steamer "CHALLENGER", and I have to request that you will be good enough to let me know which is correct.

I am, Dear Sirs,

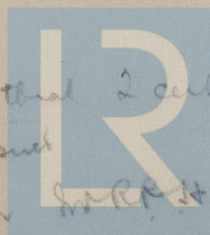

Yours faithfully,

Assistant to the Secretary.

The Surveyors,

PHILADELPHIA, PA.

Reply recd from N.Y. stating that 2 certificates found the same No had been issued per M.R.P. 2812/24
