Lloyd's Register of Shipping,

71, Fenchurch Street, E.C. 3.

29th June, 1920.

With reference to your First Entry Report
on the machinery made by Messrs. Blair & Co., Ltd.
Messrs. Craig, Taylor & Co.'s S.S. No. 194 ("EVROS"),
to request that you will state whether you are
in reporting this vessel as being fitted for
oil fuel with a flash point under 150° F., and
if the vessel is fitted for carrying oil fuel with a
point under 150° F. in the double bottom. If
so the record recommended should be "Fitted for low
oil fuel 6.20".

I am, Dear Sirs,

Yours faithfully,

Secretary.

Surveyors,

LDLESBROUGH.
