18th September 1924.

Dear Sirs,

M.

With reference to Hull First Entry Report No. 35476 on the Steel Steamer "ST. DONATS" (Messrs. Cook, Welton & Gemmell's No. 458) I have to request that you will state whether the sheerstrake butts are lapped, or strapped as shown on the approved sketch of midship section, and why the decks and bulkheads were not tested.

A plan should be forwarded to this Office showing the vessel as built.

I am, Dear Sirs,

Yours faithfully,

Secretary.

The Surveyors,

H U L L.
