Lloyd's Register of Shipping.

Port CAPE TOWN.

8th August 1940.

This is to Certify that

IDWAL WILLIAM JONESS EVANS.

the undersigned Surveyor to this Society did at the request of Messrs. Mitchell Cotts & Company (S.A.) Limited, and the Master, survey the s/s "SAINT AGNES", of London, 5,183 tons gross, whilst afloat at Table Bay, on the 8th August 1940, for the purpose of ascertaining the nature and extent of the damage, stated to have been sustained when this vessel was undocking in tow of the Tug "Ludwig Wiener", on the 8th August 1940.

On examination the undersigned found the following damage:-

- (1) Fairlead on the Starbd. aft. deck torn from its fastenings and then base plate buckled.
- (2) Fairlead on the Starbd. Poop deck torn from its fastenings and carried away.
- (3) One section of handrails bent.

The above damage to be repaired at Owners' convenience.

Geo. Evans

ACTING SURVEYOR TO LLOYD'S REGISTER OF SHIPPING.

This Certificate is issued upon the terms of the Rules and Regulations of the Society, which provide that:-

"While the Committees of the Society use their best endeavours to ensure that the functions of the Society are properly executed, it is to be understood that neither the Society nor any Member of any of its Committees is under any circumstances whatever to be held responsible for any inaccuracy in any report or certificate issued by the Society or its Surveyors, or in any entry in the Register Book or other publication of the Society, or for any error of judgment, default or negligence of any of its Committees or any Member thereof, or the Surveyors, or other Officers or Agents of the Society."
