

COPY.
PORT OF

11th. March, 1941.

Dear Sirs,

I have to acquaint you that the Committee have had before them a report from the Society's Surveyors at this Port on the machinery of the steamer "TWEED", from which it appears that, in view of the condition of the L.P. astern guide it is recommended that it should be again examined before the end of May 1941, and the Committee have accordingly continued the vessel's classification in the Register Book subject to this being done.

I am, Dear Sirs,

Yours faithfully,

A.C.Lensen Esq.,
9, Camomile Street,
LONDON.E.C.3.

Secretary to the
Liverpool Committee.
