London, E.C.3.

Dear Sirs,

In accordance with the Ministry of Shipping memorandum M.3387/41 dated March 1941 we wish to submit our s.s. "Elmdene" shortly due in London for re-assignment of load line.

This vessel would fall into category 2 under the terms of paragraph 4 of the above quoted memorandum on the question of priority. The ship has a normal speed in fine weather of 11 knots and a reduction in freeboard would not affect the convoy category beyond the extent prescribed.

Yours faithfully,  
for THE DENE SHIPPING CO. LTD.

*W. Stanley Hinde*  
Managing Director.
