Lloyd's Register of Shipping,

71, Fenchurch Street, E.C.3.

2nd December, 1937.

Dear Sirs,

I have to inform you that the Single Screw Steamer "Lafien", Messrs. The Furness Shipbuilding Co. Ld. Yard No 274, has proceeded to your port with a view to the installation of machinery.

To complete the survey on the hull the following remains to be done:- Examination of windlass, steam steering gear winches, and auxiliary gear under working conditions, and completion of casings after the machinery has been installed.

I shall therefore be glad if you will be good enough to give the case the necessary attention, and on completion of the work, to forward a report on form No. 8 with a view to the classification of the vessel.

I am, Dear Sirs,

Yours faithfully,

Secretary.

The Surveyors,  
Newcastle-on-Tyne.
