1 plan enclosed.

10th December, 1937

Dear Sirs,

Yard No.53.

I return herewith the plan showing method of connecting and welding centre girder, upper deck centre girder and stringers in the oil tanks to the oiltight bulkheads on the above ship which was submitted with your letter of the 30th ultimo. With regard thereto I have to inform you that the scantlings and arrangements as shown and amended thereon will be approved, provided they be carried out to the satisfaction of the Society's Surveyors.

The electric welding should be carried out to the satisfaction of the Society's Surveyors and the Regulations for the Application of Electric Arc Welding to Ship Construction should be complied with.

I shall be glad if you will kindly return the plan to this Office after noting or if the plan is retained an additional copy should be forwarded, with amendments in red, for/
