ed by Chief Ship Surveyor.....

Received from Chief Ship Surveyor.....

VEL'S NAME KAIWARRA REPORT Auk. No. 3763

emarks of the Chief Ship Surveyor are desired on this case for the consideration of the Classing Committee.

"The endorsement to contain a succinct summary of any repairs that have been required and to show the cause or causes of such repairs, and also to bring out clearly any exceptional features in connection with the case, so that the Classing Committee may have all the salient points presented in the endorsement."—*Extract from Sub-Committee's Report, 24/5/92.*)

The Auckland Surveyor reports vessel examined in dry dock, the bottom and rudder cleaned and coated, and minor repairs effected. Some alterations have been made to the hull and super-structure to permit of extra temporary accommodation, and the work has been carried out to the Surveyor's satisfaction.

It is submitted the vessel appears worthy to remain as classed with record of survey as recommended.

100A1
Cargo battens not fitted.
Auk. 7,42.
