4th February, 1919.

Dear Sir,

S. With reference to Greenock Report No. 17406 on the steamer "CROSSHILL" ex "WAR ERMINE", I have to say that it is concluded the new Owners are agreeable to fit a Downton Pump at the termination of the War if required to do so, but the Surveyors should state whether this is so.

I shall also be glad to learn whether the record of "Gem" should be made in this case or "pt. Gem." as in the case of Standard vessels.

I am, Dear Sir,

Yours faithfully,

Secretary.

The Secretary,

GLASGOW.
