Received from Chief Ship Surveyor

VESSEL'S NAME "THE MONARCH". Rpt. Nwc. No. 98337.

The remarks of the Chief Ship Surveyor are desired on this case for the consideration of the Classing Committee.

("The endorsement to contain a succinct summary of any repairs that have been required and to show the cause or causes of such repairs, and also to bring out clearly any exceptional features in connection with the case, so that the Classing Committee may have all the salient points presented in the endorsement." - Extract from Sub-Committee's Report, 24/5/92.)

The Newcastle Surveyors report the vessel placed in dry dock, bottom coated and on account of damage through collision and striking quaywall, repairs effected to shell plating, framing etc.

It is submitted the vessel appears worthy to remain as classed with record of survey 3,40.
