

LLOYD'S REGISTER of Shipping,
LONDON.

RECD 14 APR 1919

Coleridge Buildings, Newcastle-on-Tyne.

12th April 1919.

Dear Sir,

With reference to your letter of the 11th inst. respecting our First Entry Machinery Report No. 71746 in the case of the Steamer "DACRE CASTLE", I beg to state that the Report on the main boilers fitted in this vessel was forwarded to you on the 15th January last, our No. 71536.

In this connection I have to point out that in view of the fee of £28:12:0 already paid by Messrs. Hawthorn Leslie & Co. Ltd. for the survey of the boilers referred to, the fee shown on the Machinery Report No. 71746 is in error and should be £38:13:9 instead of £17:5:9.

I should be obliged if you would kindly have the necessary alteration made upon the report and also in the transcript of the Newcastle Rough Fee Book under date 4th inst.

I am, Dear Sir,

Yours faithfully,

The Secretary,

LONDON.
