19th July, 1938.

Dear Sirs,

M. I am returning under separate cover one copy of each of the plans, forwarded with your letter of the 8th instant, of shell expansion, main deck and bridge for Messrs. Cantieri Riuniti dell'Adriatico's No. 1214, and with regard thereto I have to state that provided the arrangements be carried out as shewn and amended and to your satisfaction, they will be approved.

The compensation provided at the bridge ends on account of fitting the hatchways with the larger dimensions transversely is in order, but as no compensation has been provided for the increase elsewhere of 150 mm. in the breadth of the hatchways, the centre line strake should be increased 2 mm. in thickness as indicated on the plan.

The duplicate copies of the plan are being retained for reference.

I am, Dear Sirs,

Yours faithfully,

The Surveyors,  
TRIESTE.
