Lloyd's Register of Shipping

25th May, 1926.

Dear Mr. Forster,

With reference to the official letter which was sent to you on the 23rd ultimo, regarding the new Steamer "HORLEY" (Aberdeen first entry report No. 14281), I think it well to remind you of this case as we shall be going to press with letter "H" of the new Book within a day or so.

Owing to the strike, of course, our original printing programme has been disorganised, otherwise letter "H" would have been printed off on the 13th instant as previously intimated.

If the full classification in the reprint is any inducement to the Builders to pay the first entry fees now, you might be so good as to get into touch with them without delay, and advise us of the payment by telegram. In the absence, however, of any communication from you, we shall go to press in accordance with our revised timetable.

With kind regards,  
Yours faithfully,

H.C. Forster, Esq.,  
ABERDEEN.
