# Lloyd's Register of Shipping.

Port OF LIVERPOOL,

16th. July, 1942.

This is to Certify that I have  
Surveyed the Boiler and Machinery of the Twin Sc. "ATHELSULTAN",  
8882 tons gross of Liverpool,

and that I have transmitted to the Committee of Lloyd's  
Register of Shipping, London, a Report stating that all  
recommendations made by me in connection therewith have  
been carried out to my satisfaction, and that I have  
Recommended that the record of C.S. with date

be made in the Register Book in the case of this vessel when  
the survey has been completed, subject to main engine bedplates  
being examined before the end of July 1943.  
Parts now examined:—

Propellers and fastenings of sea connections.  
Port lubricating oil pump (chest renewed).

Engineer Surveyor to Lloyd's Register.

This Certificate is issued upon the terms of the Rules and Regulations of the Society, which provide that:—  
"While the Committees of the Society use their best endeavours to ensure that the functions of the Society are properly  
executed, it is to be understood that neither the Society nor any Member of any of its Committees is under any circumstances  
whatever to be held responsible for any inaccuracy in any report or certificate issued by the Society or its Surveyors, or in any  
entry in the Register Book or other publication of the Society, or for any error of judgment, default or negligence of any of  
its Committees or any Member thereof, or the Surveyors, or other Officers or Agents of the Society."
